& Alexa Routines = Shortcuts

Create shortcuts so you can say just "spa time" instead of the full command:

1. Open Alexa app !' More !' Routines
2. Tap + !' When !' Voice !' type your phrase
3. Add action !' Smart Pool command
4. Save — works instantly!

In-Session Commands

After "Alexa, open Smart Pool" you're in a session. Just say commands directly:

"Turn on the spa" · "Set spa to 102" · "Lights blue"
